Building Business Resilience

No one can accurately forecast the future but we do know the economy is constantly changing. So we are inviting all small business owners across WA to be part of the BiZFiT program and get ready to meet the challenges ahead!

The BiZFiT program comprises 4 parts and has been designed to help you gain the tools to sustain your business for the long term, regardless of the economic conditions.

## BiZFiT Extend

Whether you're looking at taking your business to the next level, trying to improve your work/life balance or just want to feel more in control of your daily workload, then BiZFiT Extend is for you. BiZFiT Extend will provide you with the skills and confidence to run a successful, resilient business.

BiZFiT Extend will help you to:

- Develop a clear plan for the future of your business;
- Understand your accounts;
- Improve the way you market your business;
- Manage your staff more effectively.

You will also be matched with a BiZFiT Mentor who will work with you one-on-one for up to five hours in the weeks following the program. This individual attention will help you apply what you've learnt directly into your business.

Only \$200 and two days – it's the best investment you can make in your business. Can your business afford to miss it?

### Coming to more locations across the State in 2010...

Please contact us at [BIZFiT@smallbusiness.wa.gov.au](mailto:BIZFiT@smallbusiness.wa.gov.au) or call us on 131 BIZ (131 249), tell us where you live, and we'll let you know when we will be in your area.

BiZFiT Extend is heavily subsidised by the Western Australian Government, with an approximate value per participant of \$1,300. To enable all interested business owners to attend, the two day program will cost you only \$200, which includes all catering, access to mentors and course materials.

BiZFiT Extend is an initiative of the Small Business Development Corporation (SBDC), a State Government funded authority with over 25 years experience in supporting Western Australian businesses.

The SBDC has partnered with the highly regarded Curtin Business School's Centre for Entrepreneurship, who will present this unique small business development program.

**To maximise your learning experience registrations are limited to 25 participants per course, so book your spot today!**
