Dear Mr Moon

Thank you for your letter and the copy of CoSBA's Small Business Policy Position.

The information provided will be useful in this phase of the electoral cycle when the Labor Opposition will be preparing and releasing discussion papers in a number of policy areas, including small business.

The feedback to these discussion papers will then form the basis of policy positions to take to the electorate at the 2013 State Election.

When the paper is released, the Labor Opposition will welcome further feedback from CoSBA.

Thank you for informing me of your views on this important matter.

Yours sincerely

E. Ripper
