Hon Simon O'Brien MLC
Minister for Small Business
Parliament House
WEST PERTH WA 6005

Dear Minister

Re: DANGEROUS WORK SAFETY LAWS

Further to previous correspondence between us in which we expressed our concerns regarding the harmonising of State and Federal workplace safety laws, we now wish to convey to you the concerns of the Independent Contractors Australia (ICA), which are set out in the attached file: Dangerous Work Safety Laws.pdf.

As the views of the ICA, which CoSBA fully supports, go to addressing the special needs of small business we ask that these concerns be taken into consideration in the consultations taking part between the States and Federal Government in the harmonisation process.

Yours faithfully

**Combined Small Business Alliance
