Hon Lijlana Ravlich MLA
Shadow Minister for Small Business
Parliament House
WEST PERTH WA 6005

Dear Ms Ravlich,

Re: EXPRESSION OF APPRECIATION

On behalf of our association I wish to express to you our appreciation for your advocacy in Parliament in support of our representations and the needs and aspirations of small business in general.

Up to about six months ago, in the absence of a Minister for Small Business in the current Government with whom we could communicate, your representation of small business was particularly important to us. However, with the appointment of a Minister for Small Business and a Parliamentary Secretary for Small Business, we are pleased to say, have greatly improved our communication with Government.

We also wish to express our appreciation for your willingness to canvass and meet with CoSBA on issues affecting small business, this we believe was critical to having our voice recognised and represented in the debates that have been persuasive on Government policies that have a potential adverse impact on small business.

Thank you for your representation, it is greatly appreciated.

Yours faithfully
