Dear Mr Henderson

Thank you for attending the Small Business Forum with the Hon Bruce Billson MP on Tuesday 27 September 2011

I would like to personally thank you for attending the Small Business Forum on Tuesday 27 September. The Hon Bruce Billson MP and I feel it is very important to know and understand the concerns and struggles that small businesses face in Hasluck everyday.

Our conversation was thoroughly enjoyable and I intend to convey your messages to Tony Abbott and the Coalition when I am next in Canberra. I look forward to hearing more from you about issues faced by small businesses in the near future and standing up for you, your business and the residents of our broader community.

It is disappointing that the Gillard Government does not listen to the concerns of small business. You can be assured that a Liberal Government will take small business seriously. As the Shadow Minister confirmed at the forum, a Liberal Government will have a seat in the Cabinet for the Minister for Small Business so that issues concerning small business will be raised within the leadership of the Government.

I hope that you feel that you can contact me any time to discuss any concerns, ideas and opinions regarding your business and small business in general.

Thank you again for taking the time to express your views to me.

Sincerely
