Dear Senator

**Re: GILLARD'S "FAIR WORK" SYSTEM**

With reference to a letter we forwarded to you on 15 April 2001 concerning an application by the Australian Licenced Aircraft Engineers Association, [2011] FCA 333, heard in the Federal Court in Perth.

Regrettably, I am this day advised by the CEO of the respondent company of the following:

*"Dear All,*

*It is we deep regret, that I am letting you know that IASA after have badly suffered finance loses from the Global Economical Crises, and the loss of one of our main major customers couldn't financially survive and unfortunately this means that IASA from May 4th has cease to trade and is no longer able to fulfill its contractual obligations.*

*I am very sorry to have to pass on this news to you or your organization in this short notice, but after been doing all possible to continue operating, however IASA has been instructed to cease operations.*

*Kind Regards,
