Dear Premier

Re: APPOINTMENT OF MINISTER FOR SMALL BUSINESS

About twelve months ago you took steps to appoint a Minister for Small Business and subsequently a Parliamentary Secretary for Small Business, and given the time of the year that it is men of goodwill are expected to spread cheer, accordingly, in so doing we wish to commend you on your decision and your choice of persons for the appointments.

Since the appointments the lines of communications between CoSBA and your Government have opened and have facilitated our ability to communicate to the Government our representations on the concerns, special needs and aspirations of small business, and we are pleased to say, to have our representations expeditiously responded to.

It has been our experience that Simon O'Brien and Liza Harvey have been excellent to deal with in their respective portfolios, and are to be commended and thanked for their relationship with us.

A merry Christmas and a happy and prosperous New Year to you, Simon and Liza.

Yours faithfully
